

# PARTNERSHIP OPPORTUNITIES

We are always excited to find new partners!

# PARTNERSHIP OPPORTUNITIES

## For Organizations

We are open to partnerships with social enterprises, non-profit organizations and PR agencies.

We strongly believe that partnering with key organizations will help enhance and further develop teaching confidence, communication and relationship-building skills in our main target groups:

- Adults, teenagers and children
- Pre-landers, newcomers and immigrants
- Employed and self-employed individuals
- Other specific groups

# PARTNERSHIP OPPORTUNITIES For Organizations

We value long-term business relationships that can lead to win-win outcomes. Together with our partners, we can make the educational process more accessible and affordable.

Our strengths are:

- Accumulated broad experience in coaching
- Extensive online and offline programs
- Edutainment (education & entertainment) model of training
- Responsibility, flexibility and effectiveness
- Customized approach to every project we work on

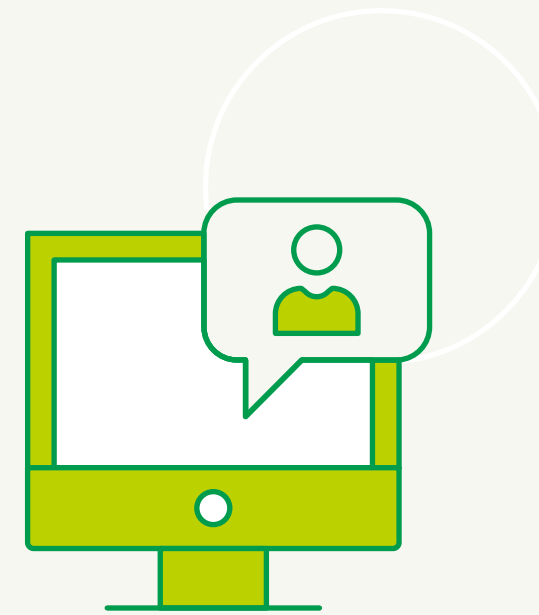

Contact us at [info@academyofsocialcompetency.com](mailto:info@academyofsocialcompetency.com) and let's find together the best and mutually beneficial forms of collaboration.

# PARTNERSHIP OPPORTUNITIES For Professionals

We are looking for collaboration with individuals who are competent in working with youth and those who have their own training programs (courses, workshops, seminars) in the following areas:

- Body Language
- Self-Confidence
- Storytelling
- Acting
- Communication
- Personal Image
- Public Speaking
- Stress Management
- Dancing

# PARTNERSHIP OPPORTUNITIES For Professionals

Our approach in working with clients is based on appreciating that each person is unique and has unlimited growth potential. Our values are:

- Competence
- Effectiveness
- Social responsibility

If you share the same values, email us at [info@academyofsocialcompetency.com](mailto:info@academyofsocialcompetency.com) and welcome aboard. The details of collaboration will be discussed individually.

## For **Volunteers**

We are a team of professionals working with people and for people — adults, teenagers and children. Our goal is to provide high-quality communication, relationship building and selfconfidence training, and if this appeals to you, we would be happy to involve you into our activity.

We are looking for those who:

- Aim to become a leader and make a difference in society
- Believe in the power of effective communication and relationship building
- Strive to gain competence in coaching
- Have experience of volunteering in educational projects
- Love working in a team and value responsibility
- Need practice in administration, copywriting and design
- Are interested in personal development and growth
